

SARMAD

Phone: (+92) 3052676986 **Email:** sarmadmaharofficial@gmail.com
LinkedIn: Sarmad Mahar **Languages:** English, Sindhi, Urdu
Location: House# B273, Phase 2, SUECHS, Jamshoro, Sindh, Pakistan

PROFILE

Environmental science professional with an interdisciplinary foundation in research, risk assessment, environmental monitoring, and spatial analysis. Interests include environmental data analysis, Health and Safety, GIS & Remote Sensing, Climate Change and community engagement. Seeking to apply knowledge, problem-solving capacity, and research-driven thinking to support environment and sustainability.

EDUCATION

M.Phil Environmental Sciences | CGPA: 3.44/4 | University of Sindh, Jamshoro *2025 – cont.*
BS Environmental Sciences | CGPA: 3.44/4 | University of Sindh, Jamshoro *2021 – 2025*
Intermediate (Pre-Medical) | Grade: A | Government Degree College Ghotki *2018 – 2020*
Matriculation (Science) | Grade: B | Islamia Public High School Ghotki *2016 – 2018*

PROFESSIONAL EXPERIENCE

Research Intern | Centre for Environmental Sciences, University of Sindh, Jamshoro *2025 – 2026*
Supervisor: Dr. Habibullah Abbasi

- Historical and Future Drought Analysis under SPI and NEX-GDDP-CMIP Model in Arid and Semi-Arid Regions
- Change Detection of Soil Degradation using Remote Sensing and GIS: A case study of Coastal Area of Sindh
- Analyzing the Influence of Climate Change & Environmental Shifts on Tuberculosis Incident Patterns using GIS

Field Surveyor Intern | Miani Forest Department, Hyderabad, Pakistan *Nov 2025*

- Socioeconomic survey to assess and optimize forest carbon sequestration and ecosystem services

Environmental Laboratory Intern | Pakistan Council of Scientific and Industrial Research, Karachi *Jul 2024*

CERTIFICATES & TRAINING

2026

- **IOSH Managing Safely** | Institution for Occupational Safety and Health
- **Health, Safety, and, Environment (HSE) Engineering |** Khalifa University - Coursera
- **Science and Engineering of Climate Change** | EDHEC Business School
- **Climate Change: Carbon Capture and Storage** | The University of Edinburgh - Coursera
- **Climate Change and Water in Mountains: A Global Concern** | University of Geneva
- **Environmental Impact Assessment** | Sigma Earth
- **Biodiversity Conservation and Management** | Sigma Earth
- **Manage Successful Field Research** | Data Academy, The World Bank
- **ISO 14001 Step by Step** | Packt - Coursera
- **GHG Protocol: Foundations** | Position Green
- **An Introduction to Carbon Footprint and Net-Zero** | Position Green
- **Global Environmental Management** | Technical University of Denmark (DTU) - Coursera
- **Environmental Protection and Sustainability** | Khalifa University
- **Sustainability and the Circular Economy** | University of Colorado Boulder - Coursera
- **Natural Disaster Risk in Infrastructure Projects** | BID - Coursera
- **Economics and Policies of Climate Change** | EDHEC Business School - Coursera
- **Climate Change: Mitigation and Adaptation** | Council on Foreign Relations - Coursera
- **Climate Change Mitigation in Developing Countries** | University of Cape Town - Coursera
- **Sustainability Consulting** | University of Illinois Urbana-Champaign - Coursera

- **Climate Change, Sustainability, and Global Public Health** | University of Michigan - Coursera
- **Education on climate change, energy and ecological footprint** | BID - Coursera
- **Environmental Leadership** | Duke University
- **Climate Change and Human Rights** | New York University - Coursera
- **Climate change and Indigenous People and local communities** | U.A. Barcelona - Coursera

2025

- **Using Spatial Data for Biodiversity** | UNDP & NASA ARSET
- **Spatiotemporal Drought Assessment using Google Earth Engine** | United Nations University
- **Applications of GIS in Conservation Mapping** | RCMRD
- **ArcGIS Pro Basics** | Esri
- **GIS Basics** | Esri
- **Fundamentals of Remote Sensing** | NASA
- **Crash Course on Python** | Google - Coursera
- **CSRD Fundamentals** | CSRD Institute
- **Research Methodology and Scientific Writing** | M.A.A. University of Nigeria
- **Going Through Peer Review** | Elsevier Researcher Academy

SKILLS

Technical & Software

- GIS Software: ArcGIS Pro, ENVI, Google Earth Engine
- Remote Sensing & satellite image analysis
- Web GIS development: Leaflet, ArcGIS Online
- Data analysis basics in R, Python & JavaScript
- Climate data collection and modeling
- Microsoft Office (Excel, Word, PowerPoint)
- Data collection and management

Professional

- Public speaking and communications
- Environmental advocacy
- Research and academic writing
- Blogging and report writing
- Professional photography & videography
- Graphic designing
- Video Editing

VOLUNTEER ROLES

Youth-led Environmental Organizations

- **Lead Coordinator** | Green Impact Movement (May 2024 – Jun 2025)
- **Climate Storyteller** | Climate Action Pakistan (Jul 2024 – Jul 2025)
- **Executive Member** | Global Youth Biodiversity Network (GYBN) Pakistan (Feb 2023 – Dec 2025)
- **Executive Council Member** | Raising Hope Together (Jul 2024 – Feb 2025)
- **Team Member** | The Earth Needs Love (Jun 2021 – Nov 2023)
- **Country Volunteer** | Organic for Climate (Mar 2021 – Jan 2022)

FELLOWSHIPS & WORKSHOP FACILITATION

Fellowships

- **Summer 2024 FXB Climate Advocates Program** | FXB USA (Jul 9 – Jul 28, 2024)
- **The Climate Change Champions Fellowship 2024** | Mind Works International (Jun 29 – Jul 27, 2024)
- **Leader of Social Impact** | CSR Forum Pakistan (Jul 2024)

Workshop Facilitation

- Representing NBSAPs at The Local Conference of Youth, Sindh – Youth Representative (2024)
- Interactive Session on Climate Change - Causes, Effects, and Solutions - Trainer (2024)
- Biodiversity and Wellness: The Role of Local Species in Gilgit-Baltistan - Co-host (2024, online)
- How to Build a Career in Sustainability - Host (2024, online)
- Climate Connect 2024 - Co-host (online)
- Introduction to SDGs - Movers Programme (2021, online)
